Short description:

Clip for OnePlus addicted! Your smartphone is now always "attached" to you.

Description:

This clip is designed to be directly plugged in the standard 3.5mm jack plug of your OnePlus One. In this way it blocks dust while allowing you to secure your phone to pockets, belt, bag, or whatever you like! <small>Note: if you print this model on a home 3D printer we suggest you to scale it to 90%. If you do it with a professional printer, instead, it fits as it is.</small>
