Excerpt:

Regulating Feet for better calibration.

Description:

<p>Because my working bench isn't completely horizontal i had some problems calibrating the Ultimaker2. So I thought about integrate some regulating feet in my machine. I hope it can help somebody else. </p>

If you can, please use the online documentation found at <http://www.youmagine.com/designs/regulating-feet-for-ultimaker-2> because those may have been be updated. Also, there you can interact and provide praise and/or feedback.
